Baihe Elementary School

About us

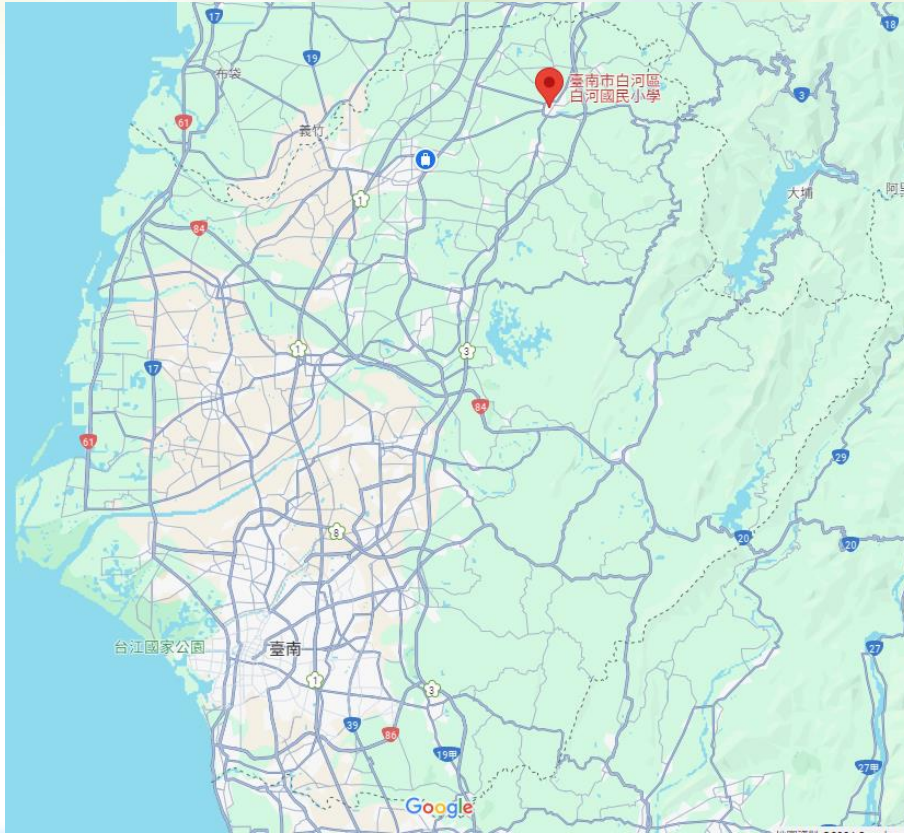

- *There are about five hundred students and thirty teachers in the school.*
- *The grade levels range from 1st to 6th grade, and each level has three classes on the average.*

Location

- ***Baihe Elementary school is located in the North-Eastern part of Tainan which is Baihe District.***
- ***There are several ways to commute to the school.***
- ***First, take a train to Sinying Station. Then ride a bus to the school.***
- ***Second, take the high speed rail to Chia-yi Station. Then ride a bus to Baihe Station.***
- ***Third, ride a motorcycle or drive your car to the school.***

Attractions

- *From March to April, you will witness the most breath-taking cotton route in Baihe.*
- *The vibrant lotuses which bloom every May are also remarkable.*
- *The only mud hot spring in Taiwan which can be found in Guanziling Mountain is also worth visiting.*

Campus

- **2 Teaching Complex Buildings:** offer students to study.
- **Administration Building:** to solve the problems from students and teachers.
- **Central kitchen:** supply the lunch which is designed by the nutritionist.
- **3 Stadiums:** offer the students to play.
- **Story:** for students to buy school supplies and snacks.
